and MUCH MORE !!

FASCO is a stocking distributor of a wide selection of construction fasteners, tools and supplies. We have been doing business since 1985, selling and servicing the construction industry. Our commitment is to provide you with the best possible service along with competitive pricing and technical assistance. We recognize you have choices and only ask for an opportunity to earn your business.

FASCO is all about service! We maintain over 7,000 SKUs in inventory and a fleet of trucks to provide you with quick, dependable delivery. FASCO'S inside sales team has over 75 years of experience to assist you with any technical questions or solutions. Along with stock products, we also offer to handle non-stock products for your purchasing convenience.

We Deliver !!
